

Subcontractor Pre-Mobilization Meeting

FM 6.217
Rev. # 0.1

Date 04/11/2024
Page 1 of 1

Purpose:

The purpose of this Standard Operating Procedure is to set jobsite expectations, review subcontract obligations and exclusions, establish schedule requirements.

Procedure:

- 1) Schedule meeting date for a minimum of two weeks prior to subcontractor mobilization date
 - A) Required attendees include:
 - i. Crain Project Team
 - a. Superintendent
 - b. Asst. Superintendents (if scope of work is applicable to their responsible area)
 - c. Project Manager
 - d. Asst. Project Manager (if scope of work is applicable to their responsible area)
 - e. Safety Manager (larger subcontractors such as concrete, framers, façade trades, roofers, etc.)
 - ii. Subcontractor Team
 - a. Superintendent/s
 - b. Foreman (if deemed necessary)
 - c. Project Manager
 - d. Safety Manager (if deemed necessary)
- 2) Topics Covered (see attached template)
 - A) Subcontract Status
 - B) Site Logistics
 - C) Safety
 - D) Contaminate Control
 - E) Required Project Meetings
 - F) Daily / Periodic Reports
- 3) Update / Document meeting minutes and redistribute agenda with all notes.
 - A) This will be the first meeting with all parties of the subcontractor team responsible for billing / work-in-place. Be sure to capture all expectations, missing scope from buy-out, questionable details for clarity in responsibility.

See template below.
